Founded in 2000 Netmums is the UK's fastest-growing online parenting organisation with over 1.7 million members and 8 million unique users each month. Netmums is a family of local sites that cover the UK, each site offering information to mothers on everything from where to find playgroups and how to eat healthily to where to meet other mothers. The local sites are backed by a wealth of parenting articles that start with pregnancy and follow through each stage of childhood helping mums to enjoy a happy and healthy family life.

Netmums is also available offline too with the publication of eight books. Our books respond to the practical needs of real mothers who juggle increasingly busy lives, and offer support and guidance for those times when it's difficult to cope with the demands of family life.

Our mission is:

- To help families have fun with and enjoy their children
- To bring people together to make our local communities more lively and friendly
- To make it unnecessary for any mum to feel lonely or isolated
- To make sure every parent has access to all of the local support and advice available - from other mothers and from professionals
- To give mothers a voice, locally and nationally, on issues of importance to them

Some fun facts that might surprise you:

- Over 8 million unique people visit Netmums every month
- Netmums collectively have more than 2,000,000 children
- 340,000 mums have made real life friends having first met on Netmums
- There are more than 473 Meetup organisers all around the country
- There are 217,371 local listings in Places to go
- We have 85 Team Netmums staff working behind the scenes
- Tuna pasta bake is our all time favourite recipe with in excess of 80,000 downloads a year!
- Our Parent Supporters have helped more than 6 million people

Course:	Computer Jobsearch (Beginner Level)		
Start:		Days/ Times:	
Duration:	4 weeks	Location:	Eyre Street (above the Plug night club)

About this course:

Over the 8 days of this course, you will learn the basics of using a computer and have an introduction to some useful Microsoft programmes. You will also learn how to:

- Log on to the College system and access the internet
- Create a Universal Jobmatch account (if needed)
- Use Universal Jobmatch correctly (the difference between activity history and application history)
- Open an email account (if needed)
- Send and receive emails
- Update or create your CV
- Create a cover letter
- Apply for jobs using Universal Jobmatch (there are four ways)
- Look for the jobs which suit you
- Research a company you want to send a job application to
- Prepare for an interview

This course uses a series of 8 workbooks to cover all of the content, so some written work will be required. When you complete the workbooks you will get a certificate to show the units you have learned. This comes from Edexcel and it may take up to 8 weeks for them to send it through (remember to let the College know if you change your address!)

Please bring the following things with you to the course:

- Details of your e-mail address (if you have one)
- A copy of your CV

Please note: If you have your CV in electronic format, please make sure you can access it from your e-mail or you have it on a memory stick. If you don't have an electronic CV, you will create one during the course.

What's Available at Jordanthorpe Library?

The Library offers a range of facilities all the time.

As well as borrowing books, these include:

- Hiring DVDs
- Audio books/Large Print Books
- Reserving books from any library in the city
- Borrowing eBooks, eMagazines and eAudiobooks
- New Computers with internet access and wifi (free to members)
- Printing, scanning, photocopying and laminating forms, CVs etc
(B&W or colour - charges apply for printing/copying/laminating)

Every week there are different activities running at the library as well:

StoryTime – Wednesday mornings from 10.15 – 11:00am for pre-school children and their carers.

Job Club – Monday and Wednesday mornings (10 – 1)

Knit and Natter – Alternate Wednesday mornings from 10:30am

Training Courses – Look out for details of courses run at the library

Reading Group— We need a volunteer to lead this. Can you do it?

What's New at Jordanthorpe Library?

Since last year's Open Day, a lot has changed. We have added:

- 10 new computers, a new printer/copier/scanner and Wifi
- A Toy Library
- A Knit and Natter group
- Coffee, tea and homemade cakes
- Over 700 new titles to our stock – thanks to the generosity of local people.

We rely on our fantastic volunteers to make all of this possible! But we always need more volunteers to help us deliver the Library and to develop new services and activities in future.

There are lots of different roles so come and talk to us to find the role that suits you best.

Come and join us – we need your help!
